☒ Further documents are listed in the continuation of box C.☒ Patent family members are listed in annex.

* Special categories of cited documents :

"A" document defining the general state of the art which is not considered to be of particular relevance

"E" earlier document but published on or after the international filing date

"L" document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)

"O" document referring to an oral disclosure, use, exhibition or other means

"P" document published prior to the international filing date but later than the priority date claimed

"T" later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention

"X" document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone

"Y" document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art.

"&" document member of the same patent family

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. 1.97(d)

The Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

The Examiner's attention is drawn to the attached Form PTO-1449 containing a list of documents which may be relevant to the subject application. A copy of each of these documents and the European Search Report in which they were cited is provided herewith.

Applicant's undersigned attorney certifies that each item of information contained in this Information Disclosure Statement was cited in a communication (copy enclosed) from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. The Applicant petitions the Examiner and requests consideration of this Information Disclosure Statement.

A petition fee under 37 C.F.R. §1.17(i) and any other necessary and proper fees to further the prosecution of this application, except the issue fee, is authorized to be charged to Deposit Account No. 09-0468.
